RE: Florida Product Approval Application - FL15937
Intertek-ATI Test Report B8049.01-401-18
Intertek-ATI Test Report B8050.01-401-18

Mr. Mullan:

This letter is in direct reference to the above listed test reports from testing completed at our facility in June 2012.

The IG spacer that was used for these test specimens consisted of a 1/2 Low Profile Clear Anodized Spacer from Ramapo.

If you have any additional questions, please feel free to contact me at jack.hook@intertek.com or 1-813-628-4300.

Respectfully,
