RE: Window Craftsmen – Product Approval
DEG File No. 204235
Certification of Independence – MB-200 Mullion

Dear Mr. Jakubauskas:

As requested **De Stefano Engineering Group, PL (DEG)** has reviewed the information provided by National Certified Testing Laboratories in reference to Full Spectrum Vinyl Impact Mullion 70 Rated for conformance with the Rule 9B-72 State Product Approval.

In accordance with 9B-72.110 Criteria for Certification of Independence, DEG offers the following:

DEG is a Florida licensed professional engineering firm performing this evaluation which does not have nor will acquire, a financial interest in any company manufacturing or distributing products for which the reports are being issued nor do we have, nor will acquire, a financial interest in any other entity involved in the approval process of the product.

Based on the testing provided, it appears these products conform to the Florida State Product Approval guidelines and we are submitting these products for State Approval. The designs have been tested and approved in accordance with TAS 201, 202, 203 for large and small missile impact rating, and has a design rating of ± 70 psf based on the configuration of the widow systems attached. Further, these units appear to conform to the Current Edition of the Florida Building Code requirements.

If you have any questions or require additional information regarding this report, please do not hesitate to call.

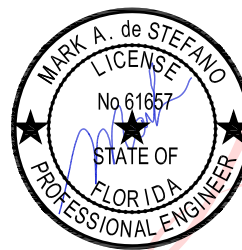

Sincerely,

DE STEFANO ENGINEERING GROUP, PL
